MORE VISITOR INFORMATION

Local Hospitals

- In the event you need emergency medical care while participating in an event, Shands UF is the closest emergency medical center.
- Shands UF is also the location where you will most likely be taken by EMS or referred to by an onsite Athletic Trainer or staff member.
- North Florida Regional Medical Center is located on Newberry Road across the street from the Oaks Mall just east of the Newberry Road I-75 exit 387

Parking and Speed Limit

- While not the only option, the O'Connell Center parking lot will be the easiest to get to and most likely to have open spots. See next page for driving directions.
- Please park in dedicated parking locations ONLY. Do not park along the grass, service drives, reserved spaces or handicap spots without the proper display.
- Emergency vehicles must be able to gain quick access to our facilities. Blocking service drives or entry gates can prohibit the necessary lifesaving response.
- ***Please be aware that the posted speed limit on all campus roads is 20 mph. It is strictly enforced!***

Campus and Local Maps

-The link <http://campusmap.ufl.edu> provides you with the ability to search for particular buildings, fields or other venues. Click on Wellness > Recreation and Fitness. A lot of construction is currently in progress, so another useful filter is Construction > Construction Zones. Here is the specific link to the interactive map and the specific building the event will take place <https://campusmap.ufl.edu/#/index/0265>
